Students who did PE Studies in Year 11 are not required to purchase a Revise Online subscription because their Year 11 subscription is valid for 2 years but students who are taking up PE Studies in Year 12 will be required to get a 1 year subscription at a cost of \$40. Please also note, the boys will receive expert Netball coaching from a senior WACE assessor. The cost for this instruction will be evenly divided between all class members and charged to the student accounts.

Year 12 Physical Education Studies classes will be using Revise Online as a question and answer resource throughout the year (<http://www.reviseonline.net.au/>). To save time and effort at the busy start of next year, Wesley College will forward your son's name to be registered with this organisation and will pay \$40 for their initial subscription. This cost will then be added to your bill. As part of their practical requirements, the students will be required to go off campus to learn alternative sports. All entrance and equipment hire costs will be distributed evenly across all class members and added to your bill.

Students need a scientific (non-programmable) calculator. This can be retained from previous years.
